YewdaleKestrel® Window curtain track

yewdaleKestrel®
MAGNETIC ANTI-LIGATURE SYSTEM

K6200 Window curtain track

Features:

The YewdaleKestrel® K6200 window curtain track is a white powder-coated aluminium track which is lightweight yet strong, and with roller runners, is ideally suited for ease of use in all hand-drawn curtain applications. Tests have shown that for anti-ligature purposes it is most important that the complete track collapses leaving no point of ligature. Even where a fixed track provides no ligature points, heavy weights can be suspended from the curtains which in turn is a serious potential risk. With the K6200 the track and curtain together will part from the YewdaleKestrel® brackets under abnormal load and can then be simply and quickly reinstated.

Benefits:

Constructed of a robust aluminium profile ensuring a consistently high level of performance, the K6200 makes an excellent choice for medium to heavy curtain usage. Offering both wall-fix and top-fix options to blend in well with any environment whilst remaining pleasing to the eye, this white powder-coated window curtain track with special low friction roller runners satisfies the most demanding of environments, whether it be residential or commercial. Secured by magnetic brackets for 100% fail-safe* anti-ligature functionality and in use in many mental health environments worldwide.

Specification:

O+M Guidance

It is an NHS requirement that items suspended on load-release support systems should be maintained and load-tested in accordance with the manufacturer's instructions on an annual basis. The YewdaleKestrel® system's performance remains constant even after repeated use. It is a requirement, however, to carry out a physical inspection and testing of YewdaleKestrel® fittings to identify any possible damage or evidence of tampering and undertake an annual load test. Annual testing should only be carried out by Protects Plus 0345 646 0955.

YewdaleKestrel® K6200 is the only approved window curtain track system to be used with YewdaleKestrel®
