

# 5600W Hand Drawn

YewdaleVitesse® Hand Drawn Curtain Tracks

## Section shown full size

## 5600W Hand Drawn

### Features:

The YewdaleVitesse® 5600W curtain track is hand drawn as standard. Its slim yet robust aluminium profile is designed to be used with medium-weight curtains, and in both face and top-fix applications. Gliders are supplied at a quantity of 16 per linear metre.

### Benefits:

Featuring a very slim profile, the attractive nature of this 5600W track lends itself to both domestic and contract environments. Suitable to be bent to your choice of shape as required. Can be fixed with face-fix or top-fix brackets for a host of mounting requirements. May be used with deep curtain headings.

### Options:

Can be bent. Available in any RAL colour of your choice.

### Specification:

The YewdaleVitesse® 5600W hand drawn curtain track as manufactured by Yewdale, +44 (0)1268 570900. Linear aluminium track with white powder-coated finish, fixed with face/top-fix brackets as applicable. Complete with end-stops, and gliders at 16 per metre.

### Top Fix:

5001W glider

### Face Fix:

(Optional extension bracket - 80mm)
